

Owens-Brockway Glass Container Inc. complies with the laws of all jurisdictions in which it does business. In this regard, with respect to containers sold in the United States, we certify that:

- the glass containers we sell are in compliance with toxics in packaging law(s) in effect at the time of manufacture;
- in the glass containers we sell, the metals lead, mercury, cadmium and hexavalent chromium are not intentionally added during the manufacturing process;
- the sum of the incidental concentration levels of the metals lead, mercury, cadmium and hexavalent chromium present in the glass containers we sell does not exceed 100 parts per million by weight; and
- we maintain adequate documentation of this certification for inspection upon request.
