# **REQUEST FOR INFORMATION (RFI)**

**Project Title:** Zanesville B – NEPA Consulting Services

**Date:** January 22<sup>nd</sup> , 2025

Owens Brockway Glass Container Inc. (O-I) is seeking information from qualified companies interested in providing engineering services for the design of a glass furnace. This RFI is intended to gather information on potential vendors' capabilities, experience, and interest in participating in a future Request for Proposal (RFP) process.

### **General Conditions.**

- All information provided in response to this RFI will be treated as confidential and used solely for the purpose of evaluating potential suppliers.
- This RFI is for information-gathering purposes only and does not constitute a commitment to purchase or contract for any products or services.
- Any costs incurred by suppliers in preparing and submitting responses to this RFI are the sole responsibility of the supplier.
- Supplier is responsible for ensuring the accuracy and completeness of the information provided in their responses.

### **Project Overview.**

O-I is looking for National Environmental Policy Act (“NEPA”) engineering consulting services to be in compliance with all required regulations at Zanesville, OH plant. O-I is one of the world’s leading manufacturers of glass packaging products with more than 70 manufacturing plants on five continents and global sales of \$6.7 billion. For more information on O-I, visit our website at [www.o-i.com](http://www.o-i.com).

### **Scope of Work.**

O-I is seeking the services of consultants to provide NEPA Compliance Consulting Services for our Zanesville B cooperative agreement project with OCED. The scope of requested services may include:

- Preparation of all NEPA documentation according to all applicable State and local requirements, including all notices.
- Ensure National Environmental Protection Act (“NEPA”) Compliance.

### **Relevant information required.**

#### **1. Company Information**

- a. A brief history and background of the supplier’s company.

#### **2. Experience and Capabilities**

- a. Examples of similar projects completed.
- b. Key technical skills and competencies of the team.

#### **3. Product/Service/Quality**

- a. Details on quality assurance processes.
- b. Performance data or case studies demonstrating the success of products or services.

**4. Support and Maintenance**

- a. Levels of customer support offered (e.g., 24/7 support, dedicated account manager).
- b. Processes for maintaining and upgrading products or services.

**5. Security and Compliance**

- a. Documentation of compliance with relevant industry standards and regulations.

**6. Financial Information**

- a. Detailed cost breakdown and pricing model.

**7. Risk Management**

- a. Processes for identifying and mitigating risks.
- b. Any additional information that demonstrates the company's capability to undertake this project.

**8. Sustainability Practices**

- a. Sustainability practices followed by the supplier.
- b. Contributions to corporate social responsibility initiatives.

**9. Additional Information**

- a. How stays updated with industry trends and innovations.
- b. Approach to partnerships and collaborations with clients.

**Submission Deadline.**

Please submit your response by February 7<sup>th</sup>, 2025 to contacts listed below.

**Contact Information.** For any questions or further information, please contact:
